ACS has been the single, most valuable resource for Points of Hope as an emerging nonprofit. Through ACS, we’ve been able to partner with other Howard County nonprofits that serve communities who can benefit from the treatments we provide.

– SaraBeth Dukes, Board President and Founder of Points of Hope, Inc.

The ACS Guide has helped us build meaningful connections and foster collaborative relationships that will ultimately lead to greater community impact.

– Brenda Ulman, Program Director, Safe Families for Children, Building Families for Children

We order 2,500 copies of the ACS Guide each year to distribute to staff, board members, prospective foster and adoptive parents. They are also used by staff on home visits and are available throughout all common areas in our office. It is a wonderful resource for those we serve.

– Linda Zumbrun, Assistant Director, Community Initiatives, Howard County Department of Social Services

MENTORING

Less experienced members are paired with other members who are seasoned professionals who impart their knowledge and experience while guiding mentees to achieve their professional and personal goals.

EXECUTIVE TO EXECUTIVE

ACS hosts free quarterly forums for Executive Directors only from member organizations to get together to share and learn from each other. It is a great opportunity for EDs to meet with their peers to confidentially discuss items, issues, and best practices that all nonprofit Executive Directors share.

Over several decades people in Howard County had a vision of a place where local nonprofits could share space and resources and collaborate to better serve the people of Howard County. Thanks to a dedicated group of nonprofit, government and community leaders led by the Association of Community Services, this vision became a reality in the spring of 2017 when the NonProfit Collaborative opened its doors.

In its first year, the NPC:
- served more than 16,000 residents in individual and group settings;
- provided low-cost meeting space for a variety of local nonprofits;
- launched a “hot desk” office to give emerging nonprofits a place to work, meet clients and funders, and network;
- hosted nearly 700 nonprofit staff and community members at training and networking opportunities;
- began renting mailboxes to Howard County nonprofits

With a goal of bringing services together to enhance lives, the NPC houses 16 different organizations serving a broad range of needs:

- Association of Community Services of Howard County
- Athelas Institute
- Bridges to Housing Stability
- Camp Attaway
- Compass, Inc.
- Grassroots Crisis Intervention
- Greater Baltimore Urban League
- Heritage Housing Partners Corporation
- HopeWorks of Howard County, Inc.
- Howard County Autism Society
- Howard County Housing Commission
- Howard EcoWorks
- MakingChange
- Mediation & Conflict Resolution Center
- United Way of Central Maryland
- Volunteers of America Chesapeake

We are thrilled to be at the NonProfit Collaborative twice per month thanks to the hot desk. This gives us the opportunity to interact with other nonprofit organizations located at the NPC and meet with volunteers, donors, and eventually clients to better serve the community.

— Tiffany Holtzman, Founder and Board President, S.A.F.E. Food Pantry
